The board meetings are held on annual basis in general and meeting is convened at any time whenever it is necessary to take policy decisions for the betterment of Institute.

The academic advisory body members meets once a month, to discuss all academic issues, for over all improvement of institute. The issues discussed are quality of teaching, training programmes, faculty improvement programme, placement activities,

special personality development programme for improving the skills of students, updating the laboratories & library requirements and ensuring maintenance of standards of education and transparency at all levels.

- ❖ Organizational chart and processes

Organization Chart and their process is as per annexure enclosed

- ❖ Nature and Extent of involvement of faculty and students in academic affairs/improvements

The Institute has drawn a well structured programme for continuous updation of professional skills besides the prescribed syllabus. To implement this the Institute is equipped with latest softwares, equipments, machines so that the students are updated constantly to meet the requirement of the industry. This has resulted in a very good placement of students in high profile institute and industries. Similarly the faculty is also updating their academic qualifications by pursuing M.Tech. & Ph.D. Programme and also guiding student projects of high standard which are industry oriented . This has become more interesting and result oriented because CII has recognized this Institute as CII-TDB Technology Network.

- ❖ Mechanism/Norms & Procedure for democratic/good Governance

Good democratic procedures and good governance is the back bone of this Institute from day one . The procedures adopted is that at the beginning of every new academic year, coordinators and conveners of various committees and their members are designated by consensus, after complete discussion as per the policies laid by the governing body & the academic advisory body. Programme for the whole year is chalked out, for academic., cultural activities, co-curricular activities and also for staff welfare which includes women's welfare, minority welfare, and weaker sections of the society. As a result of this, there is total transparency and there has been no incident of any complaint during the last 5 years. Even the ragging menace has been eradicated in this Institute by novel method which has resulted in the over all personality development and close links between the seniors and the juniors .

- ❖ Student Feedback on Institutional Governance/faculty performance

Sample feed back from students with regard to Institutional governance and faculty performance is enclosed for your kind reference and is reflecting the good quality institutional governance and faculty performance.

❖ Grievance redressal mechanism for faculty, staff and students

For grievance redressal in respect of faculty and staff, a Committee constituted by the director includes member of the faculty, dean administration, and also a member of the management. Besides a separate committee is constituted for women welfare and minority welfare but till date there is no grievance on records, which has to be disposed.

For students, a proctorial board is constituted every year which comprises of H.O.D.s and senior faculty members both male and female and they attend to the grievances of the students. Based on their recommendation director issues the orders or refers to the management if it does not fall within his purview.
